Manage your cases and lab work digitally

Here at **ukdentech**, we believe that effective communication is key to us being able to produce exactly what you are looking for from your lab work.

In order to simplify and streamline communications we have developed a proprietary e-Prescription Portal. This free service, only available to **ukdentech** clients, provides you with a full case management system enabling you to add notes and upload files and photos directly to your case files.

> If you haven't already done so, please register on our e-Prescription Portal at:
>
> 🔗 **portal.ukdentech.com**

- ✓ Submit your lab prescriptions online
- ✓ Integrated with all digital IOS Rx forms
- ✓ Upload files and photos
- ✓ Communicate with your technician
- ✓ Track cases via the calendar
- ✓ See instant pricing for lab work
- ✓ View and download your invoices
- ✓ Patient statement generator

Registration Types

Dentist - https://portal.ukdentech.com/Account/RegisterDentist

Each clinician who is submitting cases to ukdentech will need to register. If you work at multiple practices, please register with a separate email address for each practice

Practice Manager - https://portal.ukdentech.com/Account/RegisterPractice

Register as a Practice Manager in order to have oversight of all the work being submitted by every clinician in your practice. A great way to keep track of cases and manage invoices.

If you'd like a virtual demonstration, please get in touch and one of our friendly team will be more than happy to help.
